Back in October 2019 we hosted our first visit from Bevois Town Primary School, welcoming 60 pupils and staff into our church. Due to its roaring success, we decided to produce an information page where prospective schools could see the fascinating activities that we have designed with them in mind. A standard school visit includes six activities, and showcases the treasures of our archives with teachers and pupils alike. We bring the story of Avenue St. Andrew's URC and the First World War to life, telling our visitors how volunteers from our church and the local community supported thousands of soldiers in Southampton before they embarked for France.
